The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. The claim of appeal cannot appropriately be considered as having been timely filed pursuant to MCR 3.977(I) where appellant did not request the appointment of appellate counsel with regard to the September 10, 2009 order terminating her parental rights within the time required by MCR 3.977(I)(1)(c). Further, appellant has not established any due process right to have her claim of appeal, which was filed beyond the 63-day limit for filing a delayed application for leave to appeal an order terminating parental rights, MCR 3.993(C)(2); MCR 7.205(F)(6), as if it were a timely filed delayed application for leave to appeal.
